Quarter 2

www.sugarvalleyhiddenvalleylakes.com

Our lake is one of the most beautiful and peaceful places I have ever visited. The moment I arrived, I was struck by the stunning scenery of rolling hills and dense forests that surrounded the lake. The water itself is crystal clear and perfect for swimming, boating and fishing.

One of my favorite things about our lake is the sense of tranquility that permeates throughout the area. The sound of birds chirping, the rustling of leaves, and the gentle lapping of the water on the shore created a sense of peace that I rarely experience in my daily life.

Whether I was hiking through the woods or lounging on the shore, I felt completely immersed in nature and disconnected from the stress and worries of the outside world. I see deer and foxes almost daily, which added to the feeling of being in a truly wild and natural environment.

Overall, our lake is a true gem in the heart of Kansas. The price to own property is extremely reasonable. Almost anyone seeking a peaceful and rejuvenating escape can afford a piece of tranquility at our lake.

I tell people that I'm going to the lake for a couple of days, after last year coming to the lake for a week

4-01-2022 staying until mid 11-2022. They now know when I say I'm going for a week to not make plans around me.

This is your lake!!!! Let's keep it Beautiful!

MEET THE STAFF

Hey y'all, it's me Heather Fryer. I started working at SVL clubhouse about 3 months ago. Most know me either through mutual friends, my own business, working at Mr. Ranchitos or most recently buying property at SVL. I lived in town here in Mound City for 7 years before selling my home to purchase the property I have now at SVL. I have lived in many other states including Iowa, Missouri, Oklahoma, and my favorite state Texas! I am a huge Texas fan! I have a son who is 24. I will soon be a grandma (AKA "MiMi") to a little girl. I have graduated from College with a degree of Horse Science and Wildlife management. I attended and rowed for KU in 1995. I enjoy working in the food industry and love to cook food. I have waitressed and/or bartended for about 6 years. I love being around people and making them smile. I'm only serious about 10% of the time. I recently stated dating a gentleman that is the male version of me (which is hard to find). He is something else. I really enjoy working with all my co-workers at SVL. They all have treated me like family. I really enjoy everything and everyone at our clubhouse. I have met many people in our clubhouse bar and grill. I hope to meet many more. Hope to get to know ya'll soon. Have a great Summer!

Hey Y'all my name is Casey. I am the manager at the SVL bar and grill. For those of you who do not know me, I have worked in the food industry for about 20 years. I moved to Linn County when I was 16. I have 5 kids ranging from ages 8 to 21. My pride and joy is my granddaughter who will turn 1 November 2nd. My goal for SVL bar and grill is to continue growing and bring in more food and drink options. Join our SVL Clubhouse Facebook page for specials and any changes in the future. We have already made many changes. renovating the dining room, banquet room with pool table, and will be opening up our new kitchen soon. Please feel free to come up and introduce yourself and reach out to me anytime with ideas or questions!

Fishing! When I'm out on the water in the boat fishing, that's my church, that's where I spend most of my time talking to God! Lots and lots of memories are made on the lake while fishing or boating!
-Brandon Denman

The lake is our oasis away from the hussle and bussle of the city life. Being in this community has given my family the opportunity to garner new friendships that have proven to be greater than many that we have had for years! We have become fully immersive to the SVL and HVL community and look forward to making many additional memories with everyone in our small, but deeply impactful lake community. -Russell Gray

Managers Corner

Greetings Members,
Summer is here. The pool is in full swing, gold season is upon us, lots of permits for construction are being issued, maintenance is heavily focused on mowing/trimming, there are lots of boats on the water and swimmers on the beach. This is my favorite time of the year!

As I sit here writing this, I can't help but smile as I reflect over the first half of the year. There are so many great things happening in our community. From the improvements to the clubhouse and bath house, to the greens opening back up on the golf course, to the spring-cleaning event helping clean our community. There has been an increase in volunteer work being done by members. I am thankful to everyone working together to continue to make improvements to our community. I am also looking forward to the second half of the year. We are making our way over to Hidden Valley so be on the look out for more upcoming improvement

America the Beautiful

Our Flag is painted
in the colors
of white, red, and blue,
Our hearts are filled
with a sense of deep
Pride and Solitude.

We Salute all our brave
heroes who fought for
our country,

They built a new world
for us with fairer boundaries
Have a Great Fourth of July
